

THE POINT

Just one month into the New Year, 2019 begins with a myriad of activities, themed events & press articles to keep you current.

Our website made its debut before years end, but we continue to add [Events](#), [Press Articles](#) & [Winter Activities](#) to entice.

Please take a moment to peruse at your leisure, perhaps fireside with a glass of red wine to put you in a mood to plan your winter getaway.

Winter days may be short, but evenings at The Point are social, festive & always FUN!

*Descriptions on our website or phone 1800 255-3530*

## **PRESIDENTS' WEEKEND**

We pay tribute on Monday, February 18th to George Washington as well as all US Presidents over this forthcoming federal holiday weekend.

With extra time away from the office, consider a scenic drive to this National Park and an overnight at our estate. Our majestic 75 acre compound, rich with heritage, is the perfect

setting for this patriotic holiday. We welcome you to [join us](#) and relax in the splendor of The Adirondacks: 6 million acres of unspoiled American wilderness.

## INTIMATE WINTER WEDDINGS

We've known for years... but it's now a trend. For newly engaged couples, consider the ultimate venue and reserve the entire estate for your weekend winter wedding. A magical place any time of year, such celebrations take on special meaning aglow in candlelight .

## EXECUTIVE RETREATS

Forget Board Rooms and banquet tables. An **Exclusive Booking** affords you the luxury of hosting colleagues in a private setting. Now your directors can meet around a poker table, sip libations fireside, be wine & dined in grand style. Finish the evening in The Pub with a game of pool. Enjoy a great night's sleep in luxurious accommodations with lavish beds in front of a roaring fire.

**Cabin Fever?** You're not the only one! The Point is an adult playground with dogs accompanying many guests. In addition to doggie beds, Bowser beer and toys, your best friend will be right at home, roaming the land and getting much needed exercise. **Dogs are complimentary**—we are serious when we say they're welcome!

Once each year, we request that you take a few moments to complete Travel & Leisure's survey on our behalf. It would mean so much to us & those you help discover us!

**Vote before March 4th**

## GRACIOUS DINING

During winter months, Chef Loic & his team extraordinaire are busy creating the most delicious hearty meals for this special time of year.

Each course is introduced by Chef and enjoyed at a table set with fine linens, china, and stemware—a truly memorable occasion.

Fireplaces aglow, candles lit, the "house party" commences with 7 pm cocktails followed by a gourmet dinner in the Great Hall. Be certain to pack your evening cocktail attire. Wednesday & Saturday Black Tie evenings are in tradition of the Rockefellers. Please accept our invitation!

Cameron, our GM, adds his magic selecting wines and spirits from our cellar for the perfect pairing. After dinner, guests may wander into The Pub for a night cap, or perhaps gather around a bonfire. May the evening never end.
