### **No. 3: The Point - Saranac Lake, New York**

This New York Adirondack resort was built a century ago, exemplifying the idea of “roughing it” in comfort, style, and luxury. The Point is open to guests 21 years and older, with 11 distinct guest accommodations. Activities on the 75-acre resort include boating, tennis, swimming, and waterskiing in the warmer months, and cross-country skiing, ice skating, and curling during the colder seasons. Or enjoy indoor evenings with classic movies, darts, cards, and pool. A highlight of The Point’s dining experience is a seven-course tasting menu black-tie affair on Wednesday and Saturday evenings.
